

## 2018 CARRICK BANNOCKBURN ROSÉ

Carrick Bannockburn Vineyard, SWNZ BIOGRO-5056

---

Harvest date: March 2018

Schist based Alluvial loess, 30 meters deep.

Hand-picked Pinot Noir from Carrick's organically certified vineyards, from a mixture of clones, Biodynamic principles, practiced from 2011, Organic certification to European Union equivalence.

A mixture of saignée and cold pressing techniques are used to form the wine, Wild fermentation occurs spontaneously in old oak barrels, where it rests on its lie, providing texture to complement the dry style, a lunch time favourite at our restaurant.

Bottled October 2018

13.5% alc. Vol.

400 - 6 bottle cases

Let's talk sunshine, wine and friends.

*The Carrick Bend secures two strong and separate ropes together – similar to the ties between our people and our land*
