

2019 CARRICK POT DE FLEUR PINOT NOIR

Carrick Bannockburn Vineyard, SWNZ BIOGRO-5056

The Pot de Fleur is so named for the small flower pot shaped fermenters we use. Building on this we work with self-taught NZ artist Margarita Vovna who designed this unique label - the textured background is a reproduction of the paper which Margarita creates from up-cycling Guadalupe County ranchers flannel.

The vineyard is managed using a small team, who prune, weed and train the vines each season by hand. Allowing for a tailored approach to each vine and each parcel. The Pot de Fleur comes from a plot of clone 115 vines on the home vineyard, where the soils are a sandy and schist based. The wine undergoes wild, indigenous yeast ferment, with a light, daily punchdown during peak ferment.

Origin: Carrick Vineyard, Bannockburn, Central Otago

Hand-picked in: April 2019

Bottled: January 2020

Cases: 300 x 6 bottle cases

Unfined, unfiltered, organic goodness in a bottle. The Pot de Fleur Pinot Noir is our 100% whole-bunch natural wine, made without any preservatives or additives. Aged for 11 months in old French oak barriques. It is ethereal, rounded and perfumed.

Organic certification to European Union equivalence.
